SKIN CARE

DERMAPLANING

An exfoliating facial, using a sterile scalpel to remove dead skin build up and vellus hair. It's great for clients looking to brighten skin, reduce the appearance of fine lines and for flawless makeup application. This treatment is great for instant results. Choose the luxury option for a tailored mask to boost your result. This treatment is not suitable for clients with active acne, if you're unsure if it's suitable for you drop us a message to arrange a consultation.

Dermaplaning- £45

Luxury Dermaplane- £60

Includes tailored face mask & Ice globe lymphatic facial drainage

MICRONEEDLING

We use a microneedling pen with a sterile needle cartridge to penetrate the skin, stimulating collagen and elastin, then apply one of the "Million Dollar" Mesotherapy serums, a lightweight serum that absorbs into the skin, specifically chosen for your skins needs. Microneedling is great for clients wanting to reduce fine lines and wrinkles, tighten the skin, reduce scarring and improve general tone & texture. This can also be used on the body to treat scarring and stretch marks, and on the hair to stimulate hair growth.

Microneedling face or body- £75

Hair Rejuvenation- £70

MILLION DOLLAR

Million Dollar combines Microneedling & Dermaplaning for the ultimate facial. It helps to promote collagen and elastin production, alongside giving a deep exfoliation to brighten the skin and reduce fine lines. It also gives increased product absorption to add benefit to your home care regime. This treatment includes a tailored mask and ice globe massage.

Million Dollar Facial- £90

MIRACLE MASK

This treatment leaves skin tighter, firmer and brighter. Using peptide technology, the Miracle Mask has the unique ability to create micro circulation, promote collagen and elastin and stimulate detoxification, instantly energising the skin giving you that red carpet look before any big event. This facial includes steam cleanse, any necessary extractions, mask & ice globe massage.

Miracle Mask Facial- £60

Added to luxury facial- £5

SKIN CARE

CRYSTAL CLEAR

Microdermabrasion is an excellent facial for anyone suffering from dull skin or congestion. Microscopic crystals are used to gently exfoliate and remove impurities giving your skin a deep cleanse. A tailored mask is used to treat your skin concerns and ice globes are used alongside a manual massage to stimulate blood flow around the face and drain toxins. Crystal Clear Oxygen therapy breathes new life into dull, tired, breakout prone or aging skin. It uses a high pressure jet of oxygen to plump out fine lines whilst the oxygen helps to kill bacteria under the skin's surface. The oxygen serum offers intense hydration. This treatment is a celeb favourite and is great before an event.

SKIN BOOSTERS

Skin Boosters use hyaluronic acid to act as an injectable moisturiser, this hydrates the skin, improves skin quality and gives the skin an overall 'boost'. It helps to improve the skin's elasticity, firmness and radiance by stimulating natural collagen production. We recommend 3 sessions for maximum result with a top up every 6-12 months

Seventy Hyal-£105

PLASMA SKIN TIGHTENING

Plasma Fibroblast skin tightening is a non surgical lift procedure, used to smooth and tighten with results that can last up to 3 years. Our therapists use a device to heat specific areas of the skin, causing it to lift and contract and as a result produce more collagen and elastin. The treatment does require some down time to allow the skin to recover, a free consultation is required prior to treatment to assess eligibility.

Prices for 1st session from £200-£500
Top up- £75 to £150
To be taken within 12 weeks of 1st session
